It's My Time

Words And Music By Paul Hoffman

There's A Feeling
Inside Of Me
That's Telling Me I Can Be
More And More Of Who I Am
It's A Power That Says I Can

Open Up To
The Passion In Me
It's A Call To Rise
That's Calling Me
To Wake Up To What I Want To Be
It's My Time To Claim My Destiny

It's Time To Let Go
Get Ready To Fly
Open My Heart
And Reach For The Sky
Starting Today
I Know The Reason Why
There Is Nothing I Won't Try

It's My Time
To Let The World Know I Can
It's My Time
To Stand Up And Declare Who I Am

It's My Time
It's My Time, It's My Time, It's My Time

It's My Time
To Let The World Know I Can
It's My Time
To Stand Up And Declare Who I Am
It's My Time
It's My Time, It's My Time, It's My Time

I'm Not Holding Back
I'm Not Giving In
There Are Choices To Make
It's Time To Begin
The Journey That Never Ends
I Create The Space I'm Living In

My Imagination Is Pulling Me
I'm On A Path Towards Success And Clarity
I'm In The Flow Of Life
For All To See
My Intention's Are Guiding Me

It's Time To Let Go
Get Ready To Fly
Open My Heart
And Reach For The Sky
Starting Today
I Know The Reason Why
There Is Nothing I Won't Try

It's My Time
To Let The World Know I Can
It's My Time
To Stand Up And Declare Who I Am
It's My Time To Claim My Destiny
It's My Time, It's My Time, It's My Time

It's My Time

To Let The World Know I Can
It's My Time
To Stand Up And Declare Who I Am
It's My Time To Claim My Destiny
It's My Time, It's My Time, It's My Time

When I Commit To Integrity
What Flows From Me Is Authenticity
I Will Follow My Heart Cause It's Telling Me
That It's My Time To Claim My Destiny

It's My Time
To Let The World Know I Can
It's My Time
To Stand Up And Declare Who I Am
It's My Time To Claim My Destiny
It's My Time, It's My Time, It's My Time

It's My Time
To Let The World Know I Can
It's My Time
To Stand Up And Declare Who I Am
It's My Time To Claim My Destiny
It's My Time, It's My Time, It's My Time

It's My Time
To Let The World Know I Can
It's My Time
To Stand Up And Declare Who I Am
It's My Time To Claim My Destiny
It's My Time, It's My Time, It's My Time

To Fade
